Sl. No.	Course on which feedback obtained	Semester/Year	Critical Observations from feedback	Action Taken with target date	Any other remarks/comments
1	Computer Networks	5 <sup>th</sup> / 3 <sup>rd</sup> year	More time is required to analyze the concepts (syllabus completion was too fast)	Concerned faculties have been informed to discuss with students for better pace at which they can complete the syllabus	
2	Operating systems (OS) and OS Laboratory:	5 <sup>th</sup> / 3 <sup>rd</sup> year	Faculty needs to communicate with all students not just few students. Needs to explain concept better. Partial in correction. Rating is less than 3 on average	Instructed to communicate with entire class and take feedback after every class about the concepts which are taught. For next semester, Faculty have been changed for teaching 2019 batch.	
3		5 <sup>th</sup> and 7 <sup>th</sup> semester	No major negative comments, Overall rating is above 3.5 out of 5	None	45 percent of students has given the feedback
