

## Faculty of Mathematical & Physical Sciences

The Faculty of Mathematical & Physical Sciences offers Undergraduate Programmes leading to B.Sc. (Hons) Chemistry, Physics, Mathematics, Statistics, Computer Science and Electronics. FMPS also offers postgraduate Programmes leading to M.Sc. degree in Physics, Chemistry and Mathematics. FMPS offers Ph.D. degree in Physics, Chemistry and Mathematics

**Abstract:** The release of persistent per- and polyfluoroalkyl substances (PFAS) into the environment is a major concern all over the world. Developing innovative and cost effective treatment technologies is a high priority area. This webinar focuses on technologies that have been developed and available for providing solutions to such environmental issues.

**Date: 13/ 05/2022      Time: 10.00 am to 11.30 am**

**Please join the meeting from your computer, tablet or smartphone**
