Gnanagangothri Campus,

New BEL Road, Bangalore

Time: 9.30 A.M. to 5 P.M.

Registration begins at 9 am

The Indian Pharmaceutical Association (IPA) is the National body representing over 1 million pharmacists and pharmaceutical scientists from Industry, Academia, Regulatory, Hospital and Community Pharmacy and work to meet the India's health care needs. IPA is a non-governmental organization that has been in official relations with the FIP and WHO. IPA is member of Drug Technical Advisory Board, Ministry of Health and Family Welfare, Government of India. Indian Pharmaceutical Association (Karnataka State Branch) actively supports the development of the pharmacy profession, through practice and emerging scientific innovations, and through developing the pharmacy workforce in order to meet the health care needs and expectations.

Karnataka Drugs and Pharmaceuticals Manufacturer's Association (KDPMA) is the Apex body of the Pharmaceutical Manufacturers in Karnataka and has members from Small, Medium, and Large Scale Units, Government Enterprises and Multinationals operating from Karnataka. KDPMA works with the Government to establish priority sector status to drugs and pharmaceutical industry. KDPMA will continue to prevail on the Government to address the IPR issues on drugs and pharmaceutical based on bio-diversity,

biotechnology, as well as newer chemistry based drugs. KDPMA has around 79 members companies comprising of small, medium and large scale units including multinationals and Govt. enterprises operating in Karnataka.

Faculty of Pharmacy (FPH), M.S. Ramaiah University of Applied Sciences Ranked 52nd in All India NIRF - 2021, Govt. of India Ranking (formerly M.S. Ramaiah College of Pharmacy) was established in 1992. The Faculty of Pharmacy imparts quality pharmaceutical education with student centric learning pedagogy to meet the increasing demands for skilled health professionals meeting global standards. The Faculty offers a 4-year Undergraduate programme leading to the Bachelor of Pharmacy degree (B.Pharm), 2 year Postgraduate programmes in 5 specializations leading to Master of Pharmacy degree (M.Pharm), 6year Doctor of Pharmacy programme (Pharm D) and also full time and part time Doctoral research Programme (Ph.D).

About the Conclave: This conclave is focused to bring pharmacy students, teachers and pharmaceutical industry professionals on a single platform in order to bridge the gap between academia-

industry interactions and collaborations for mutual benefit. Memorandum of understanding will be signed between leading colleges with reputed pharmaceutical companies in Karnataka.

Objectives:

- » To understand industrial requirements for employing pharma graduates and post graduates
- » To understand academia's needs and support from Industries
- » To deliberate opportunities and career planning for students.

Topics to be covered :

- » New trends in product development - herbal and allopathic.
- » Recent changes in regulations & QMS.
- » Pharma covigilance and Cilinical trials
- » Start up in Pharmaceutical Sector

Who should attend?

- » Industry personnel working in Analytical Development, Product Development, Regulatory Affairs and Quality Assurance.
- » Teachers of Pharmacy colleges.
- » Pharma Graduates & Final year students pursuing B.Pharm, M.Pharm, Pharm D and PhD. scholars.
