Faculty of Pharmacy (FPH; formerly M.S. Ramaiah College of Pharmacy) was established in 1992. Ranked 65th in All India NIRF-2023, FPH imparts quality pharmaceutical education with student centric learning pedagogy to meet the increasing demands for skilled health professionals meeting global standards. The Faculty offers a 4-year UG program leading to the Bachelor of Pharmacy degree (B.Pharm), 2 year PG program in 5 specializations leading to Master of Pharmacy degree (M.Pharm), 6 year Doctor of Pharmacy program (Pharm D) and also full time and part time doctoral research program (Ph.D).

World Pharmacists Day (25 September) marks the anniversary of the inception of International Pharmaceutical Federation (FIP) in 1912 and was adopted by the FIP Council in 2009. This year's theme **"Pharmacists strengthening health systems"** aims to present opportunities to increase awareness of pharmacists as an intelligent solution for health services to meet future needs of health systems around the world after COVID-19 crisis. Pharmacists are the reason why people get the best from their medicines, they are using their experience, knowledge, and expertise to make the (medical) world a better place for everybody. Moreover, they give access to medicines, advise people on how to properly take them and so much more.
