SCHRÖDINGER

Pharmacological Modelling &
Simulation Centre (PMSC) presents

CONFERENCE ON DRUG DESIGN & DISCOVERY TECHNOLOGIES - 2019 (CDDT - 2019)

21st & 22nd November 2019

Venue: Dwaraka Auditorium,
Ramaiah University of Applied Sciences, Bangalore

CDDT - 2019 serves as a platform for students, research scholars, academicians, industry professionals and researchers to present their innovative concepts as well as research findings. This conference encourages submission of research papers from varied specializations of Pharmaceutical and Life Sciences, with focus on recent developments. Selected papers will be published by the Royal Society of Chemistry as either extended abstract or full length paper based on the merit. This conference anticipates active participation from R&D Labs, academia and technology development groups of industries. We value all your excellent contribution towards the area of drug research and welcome the researchers to join us for this interdisciplinary event with scientific association for effective knowledge dissemination and acquisition.

Themes for Conference

Pharmacy

- Drug Design and Synthesis
- Green Synthesis / Green Chemistry
- Analytical Chemistry
- Impurity Profiling
- Pharmacognosy & Phytochemistry
- Herbal Formulations
- Computational Tools in Formulation Design
- Novel Drug Delivery Systems
- New Techniques in Pharmacological Screening
- Pharmacology & Toxicology
- Pharmacokinetics & Pharmacodynamics Study

Call for Abstracts

Life Sciences

- Molecular Biology
- Plant & Animal Biotechnology
- Biochemistry
- Chemical Biology
- Computational Biology and Bioinformatics
- Cancer Biology
- Immunology
- Genomics & Proteomics
- Genetic Engineering and Recombinant DNA Technology

Important Dates

Pre-conference workshop with Schrodinger
20th November 2019

Last date for On Track abstract submission
08th July 2019

Last date for Off Track abstract submission
15th July 2019
