

List of Indexed International Conferences

(01 April 2021 to 31 March 2022)

FACULTY OF ENGINEERING & TECHNOLOGY	
Department: Civil Engineering	
Sl. No.	Paper Details
1	Prajwal, S., Akshaya Kumar, V. H. and Nayana N. Patil (2021) Implementation of Sustainable Materials in an Existing Residential Building and Comparison, <i>Third International Conference on Materials Science and Manufacturing Technology (ICMSMT 2021)</i> , Coimbatore.
2	Abhishek Manjunath and Nayana N. Patil (2021) Effect of Sustainable Materials on Embodied Energy, Carbon Footprint and Cost for a Proposed Conventional Apartment, <i>Third International Conference on Materials Science and Manufacturing Technology (ICMSMT 2021)</i> , Coimbatore.
Department: Computer Science and Engineering	
Sl. No.	Paper Details
1	Nayana N. Patil, Santhosh M. Malkapur, Sharat, P., Usha, M. S., Hemanth Kumar, H., Ganapati, B. Y. and Sugam Dev (2021) Mechanical Properties of Polystyrene Light Weight Sustainable Concrete, <i>Second International Conference on Advances in Physical Sciences and Materials (ICAPSM 2021)</i> , Coimbatore, Tamil Nadu.
2	Piyush, K., Chauhan, R., Stephan, T., Shankar, A. and Thakur, S. (2021) A Machine Learning Implementation for Mental Health Care. Application: Smart watch for Depression Detection, <i>Proceedings of the International Conference on Cloud Computing, Data Science Engineering, IEEE</i> . https://doi.org/10.1109/conuence51648.2021.9377199 .
Department: Electronics and Communication Engineering	
Sl. No.	Paper Details
1	Arvitha, M. V. S., Biradar, A. G. and Chandana, M. (2021) Third Eye for Visually Challenged Using Echolocation Technology, <i>International Conference on Emerging Smart Computing and Informatics (ESCI)</i> , pp. 391-395.
Department: Electrical Engineering	
Sl. No.	Paper Details
1	Nikita, T. and Prajwal, K. T. (2021) PID Controller Based Two Wheeled Self Balancing Robot, <i>5th IEEE International Conference on Trends in Electronics and Informatics</i> , SCAD College of Engineering and Technology, Tirunelveli.
