

## Center for Entrepreneurship

### Faculty Recruitment Notification

Ramaiah University of Applied Sciences (RUAS), is actively recruiting faculty in Entrepreneurship across seniority levels (Assistant/Associate/Full Professors) and engagement type (Fulltime/Adjunct/Professor of Practice). RUAS is a premier multi-disciplinary university and is home to topmost colleges in engineering, technology, medicine, design, hospitality and humanities in India. We are building a world class Center for Entrepreneurship that fosters entrepreneurial ethos across the multi-disciplinary RUAS community through an integrated approach towards entrepreneurial education, research and practice.

Applicants should hold, or be in the final stages of obtaining, a PhD or equivalent doctoral degree from accredited, highly regarded institutions in disciplines such as Entrepreneurship, Strategy, Organizational Behaviour, Economics, Sociology, Communication, or related fields. A minimum of 10 years of teaching and research experience is required for the associate professor position and 15 years for the full professor position.

For Professor of Practice position, a doctoral degree is desirable but not a must. A lack of PhD must be offset by rich industry experience of at least ten years, professional accomplishments and demonstrated domain knowledge in fields such as entrepreneurship, startups, business management, marketing, innovation and technology management.

The candidates must demonstrate potential for excellence through their academic work, writings, professional experience and personal goals. Responsibilities include teaching at the undergraduate and graduate levels, case writing, conducting and publishing research in top-tier journals, and service to institutional activities.

If you are passionate about teaching, committed to research that is rigorous and relevant, and want your work to have lasting impact, we invite you to join the Center of Entrepreneurship at RUAS and be part of the exciting journey to build entrepreneurial mindsets among a diverse and dynamic student body. Send your updated CVs, samples of research/writing, any available teaching ratings, and names of two referees to [careers.cfe@msruas.ac.in](mailto:careers.cfe@msruas.ac.in)

Applications will be reviewed on a rolling basis until suitable candidates are selected. The expected start date for this position is **July 2023**.
