Ref: MSRUAS/FN/26/2022

Date: 03.12.2022

Several representations are received from the parents and students requesting for extension of last date for payment of Tuition Fee and to permit them to write the examination.

These representations have been considered by the University and it has been decided that the last date for payment of fee is extended up to 10th December, 2022 as a onetime special case.

All the students who have not paid the fees may kindly be permitted to write the exams subject to the condition that they shall execute an undertaking to the Deans of their respective faculty informing that they will pay the remaining tuition fee dues by 10th December, 2022.

This is one last time opportunity to students to clear their dues and no further extension will be entertained in this regard. Non clearance of the balance dues will lead to with holding of the results of such students.

You are requested to bring this to the information of all the students due to pay their fees.
