#Be A Lifesaver!

DKMS BMST Foundation India is an International NGO working towards providing second chance at life to Blood Cancer and Blood Disorder patients.

What we do:

Raise awareness on Blood Cancer and Blood Disorders, Blood Stem Cell Transplantation and Register potential blood stem cell donors.

Why is it important:

Blood Stem Cell Transplantation is the last chance of survival for Blood Cancer and Blood Disorder patients. We aim to improve the chances of a patient finding a matching Blood stem cell donor.
