## Prof. Govind. R. Kadambi

### Acting Vice Chancellor, RUAS

*I congratulate and welcome all the graduating students to the Fifth Convocation of Ramaiah University of Applied Sciences (RUAS). Convocation is a unique juncture of the recent past and the very near future ahead. It is a transition from a robustly structured and well scheduled academic ambience to an environment featured with fast changing and rapidly evolving nature of Professional future career. Well addressed and timely parting advice through an Inspiring conversational tone and reminder of promising Gateway of abundant opportunities shall surely pave way for an effective and seamless transition. As a result, the graduating students can look forward to the future with a resounding sense of confidence and preparedness. Convocation is all about refreshing of these attributes and encouragement.*

*Graduation is a gratifying result of Inspiration & Perspiration, Patience & Perseverance, Aspiration & Action, Approach & Aptitude, Self-discipline & Sincerity, Devotion & Dedication as well as unwavering desire and determination tested over time as a proven exhibition of acquired skills, knowledge and proficiency in the academic endeavor of choice. Knowledge is a very unique entity because of its vastness, limitless and unrestrictive boundary. Seldom, it is amenable for quantitative measurement. Therefore, it is reasonable to presume that thrust and thrive for knowledge imbibed as a part of an academic programme can be an initiation only but not at all an end by itself.*

*Convocation is yet another landmark day bringing with it an opportunity for the needed renewal of the urge and thrust for rigor, rededication and repositioning for prospective career opportunities. Future can be either an Enigma or Engine of Hope. Hence, there need not be an easy and unique answer to the frequently recurring question of **“What next and what immediate next after the graduation?”** It is reasonable to hope and presume that one’s career now lasts several decades. From the perspectives of both Prudence and Career prospects, it is a must to view the future beyond the immediate next. For many of us, the last year has sounded to be an era of great challenges and uncertainties of unimaginable proportions. But it has also brought the best of Humanity to quell the hardships imposed on mankind. It has taught us the magical and mystical power of our tenacity and resilience to overcome any problem even perceived to be insurmountable. Despite the Pandemonium caused by the Pandemic, RUAS has tried all the avenues and resources at its disposal to ensure that the academic activities and the operational aspects of the University are as good as it can*

*be, under the prevalent extraordinary scenario.*

*There is a stronger and pragmatic realization that Ups and Down, Success and Failure, Excess and Shortfall, Abundance and Scarcity are part of life and transitory in nature. In the process, the golden statement **“Tough Times will not Last but Tough People Do”** and its indomitable spirit of never give up have prevailed.*

*RUAS has recently introduced new UG Programmes in emerging domains like B.Tech in AI & ML and Mathematics & Computing along with specialized programmes in Allied Health Sciences such as Public Health. RUAS is keen to develop research capabilities in evolving and exciting disciplines of AI & ML, Hypersonics, Computational Fluid Dynamics, Electromagnetics, Communication Engineering, Biomaterials, Allied Health and Life Sciences, Bio-Medical Engineering, Drug Delivery System, Oral Cancer and Computational Sciences.*

*RUAS has thrived to provide you the environment, encouragement, exposure and experience to gain the expertise needed to pursue the future career with immense confidence and resounding satisfaction. It was promised that your academic journey in RUAS will be worthwhile, rewarding and the envisaged student experience will be comparable to the best of the Universities across the Globe. We have sincerely tried and spared no efforts to live up to our promise and your expectations. We have attempted our best to impart relevant knowledge while training you on proficiency, skills and character to transform you as a Global citizen with enviable success and impeccable Human virtues. I am sure that you will wholeheartedly appreciate the underlying educational philosophy of RUAS in claiming its unique place in the Indian context and inviting comparative analysis with other acclaimed Universities of International stature and standing.*

*We are proud and privileged to have the gracious presence of **Dr. K. Kasturirangan**, Former Chairman- ISRO as the Chief Guest to deliver the Convocation Address. Our Chancellor Dr. M. R. Jayaram will award the medals to the meritorious graduating students. I am sure that the Virtual mode of this Convocation will not diminish the ambience of fervor and festivity of this momentous occasion of your career. I fervently hope that this Convocation held under the unusual and non-routine nature of circumstances still makes you genuinely proud and happy. On behalf of one and all, I welcome you once again. I also congratulate you and wish you all the best in your future endeavours.*

## Dr. M.R. Jayaram

### Chancellor

Dr. M.R. Jayaram is the Chairman of Gokula Education Foundation (GEF). GEF was established by the Founder Chairman, late Dr. M.S. Ramaiah in 1962 with a mission **“Education and Health for the Betterment of Mankind”**. GEF is a pioneer in establishment of privately financed educational institutions which are mainly responsible for Bangalore becoming an educational hub and a highly developed city of today. As the eldest son, Dr. M.R. Jayaram was actively associated with his father, late Dr. M.S. Ramaiah, to pursue the mission of GEF and is successfully carved the stupendous achievements of GEF. Over the years, GEF has established 25 Institutions in Gnanagangothri Campus spanning 85 acres. The Institutions encompass the disciplines of engineering and health sciences, education, social and basic sciences, law, nursing, skill training and continuing professional education. In 1997, after taking over as Chairman of the Group, Dr. Jayaram adopted the mantra **‘Innovation, Quality and Research’**, and infused a global perspective in every Ramaiah initiative. Dr. M.R. Jayaram established a super specialty hospital in the memory of his father and now it has become a pride of Bangalore. M.S. Ramaiah School of Advanced Studies established in 1999 with a focus on Post-Graduate and Doctoral Programme was his initiative to foster the now evolving outcome based curriculum in Higher Education. His other landmark accomplishments include setting up of Advanced Learning Centre which is one of its kind to impart advanced skill training in the country for practicing doctors and health care professionals. He has also established Institute for Neuro Sciences, Indic Ayurveda Restoration Hospital and Rehabilitation Centre which is the largest in India. Dr. Jayaram has constantly strived to keep abreast with the times, whether through pioneering initiatives, contemporary infrastructure or modern campuses. Recently, in a landmark move, Dr. Jayaram spearheaded the restructuring of the Group’s various Institutions under a single, unified brand identity: **‘THE RAMAIAH GROUP’**.

Dr. M.R. Jayaram is also the Chancellor of Ramaiah University of Applied Sciences (RUAS), a Private

University established by an Act passed by Government of Karnataka. The University offers UG, PG and Ph.D. Programs across ten Faculties/Schools. As a **Comprehensive and Multidisciplinary University**, RUAS embraces Innovation ecosystem through Academics, Research, Training & Lifelong Learning and Consultancy. The University focuses on Applied Research and so far Filed 170 Patents; Completed 130+ Sponsored Research Projects; Implemented 550+ Consultancy Projects. RUAS has adopted global best practices in teaching, learning and assessment to ensure all round and holistic development of students for a joyous and successful career for 21st Century.

Dr. M.R. Jayaram is deeply involved in community development and philanthropy. He is the Dharmadhikari (head) of Kaiwara Kshetra (a Centre for religious activities located around 60 km from Bangalore). This Kshetra has actively undertaken the rejuvenation of old temples in and around Kaiwara as well as providing health and education to the villagers around Kaiwara. It is serving the noble mission of daily feeding the poor and needy, conducting annual mass marriages and many other socially relevant activities.

Dr. M.R. Jayaram has created a trust that awards scholarship to the meritorious students of economically weaker sections for pursuing higher education. He has a commendable grasp of World History and Heritage, Religion and Philosophy, Culture and Civilization. With these virtues, he propels a holistic perspective in all initiatives under his leadership. He has created an Indology Centre, which is involved in the study of ancient Indian History and scriptures. He is an Editor of a magazine “Mallara”, which is published bimonthly by Indology Centre. Earlier, he published and edited a daily called “Tainadu”. **In 2006, Coventry University, UK, conferred upon him an Honorary Doctorate in recognition of his contribution to Education.**

Chief Guest

**Dr. K. Kasturirangan**

Ex-Chairman, ISRO

*Dr. Krishnaswamy Kasturirangan completed his Bachelor of Science with Honours and Master of Science in Physics from Bombay University and received his Doctorate in Experimental High Energy Astronomy in 1971 while working at the Physical Research Laboratory, Ahmedabad. His interests include astrophysics, space science and technology as well as science related policies.*

*Dr. Kasturirangan was with the Indian Space Research Organisation (ISRO) for over a period of nearly 35 years including nearly 10 years as its Chairman from 1994-2003. Subsequently, he was a Member, Upper House of the Indian Parliament, Rajya Sabha (2003-2009) and concurrently the Director of National Institute of Advanced Studies, Bangalore. # Ramaiah University of Applied Sciences

*Ramaiah University of Applied Sciences (RUAS), Registered as M.S. Ramaiah University of Applied Sciences, is a Private University established in 2013 by an Act of the State of Karnataka, India. The University is sponsored by Gokula Education Foundation (Medical), a public charitable trust owned by the Ramaiah family. The Gokula Education Foundation (Medical) and its sibling, the Gokula Education Foundation, have together promoted over 20 higher education and quality healthcare institutions in the last 55 years.*

*RUAS has been established with a vision to be recognized as a modern, innovation-intensive University which continuously interacts with the industry, business communities and government organizations. The University strives to instill competence, confidence, and creative thinking in its students so that, after graduation, they apply their academic learning and practical skills to find innovative solutions to societal problems.*

*RUAS comprises Faculties of Engineering and Technology, Art and Design, Management and Commerce, Mathematical and Physical Sciences, Life and Allied Health Sciences, Dental Sciences, Pharmacy, and Hospitality Management and Catering Technology. RUAS has established the School of Social Sciences and the School of Law recently. RUAS has invested significantly in advanced design, simulation, manufacturing and testing facilities also which are housed in modern buildings. The state-of-the-art infrastructure at RUAS enables the Faculties and Schools to offer undergraduate, postgraduate, and doctoral programmes to over 10,000 students. Directorates, such as Student Affairs, Sponsored Research, Training and Lifelong Learning, Techno Centre, Transferable Skills and Leadership Development, and International Collaborations and Partnership Management, compliment the academic activities*

*and facilitate interactions with industry, research organizations, business enterprises, governments, and Universities in India and abroad.*

*RUAS has implemented outcome-based curriculum which focuses on equipping the students with domain knowledge, skills and attitudes required for the fulfilment of the local, regional, national, and global developmental needs. It has adopted global best practices in teaching, learning and assessment to ensure all-round development of students which help them immensely in furthering their future career as extraordinary professionals and responsible citizen. The programmes offered by this comprehensive University are multidisciplinary and interdisciplinary in nature which is a strongly desirable characteristic of the education required for modern India and its promising economy.*

*RUAS has completed over 130 research projects sponsored by various funding agencies of the Government of India and the Government of Karnataka with grants amounting over Rs. 8 Crores. RUAS has established a Technology Business Incubator in the specialty domains, such as IoT, Robotics and Intelligent Systems, and Electronics System Design and Manufacturing. RUAS constantly engages in active initiatives, such as establishment of research partnerships with defense and space science laboratories, and premier Universities of international repute, distinguished visiting professorships, and prestigious lectures by globally renowned experts.*

*Owing to its passionate pursuance of cutting-edge research, intellectual innovation and strong outreach, RUAS is envisioned to grow into a top University renowned for student-centric professional education and services.*

## National Anthem

Jana-gana-mana-adhinayaka, jaya he  
Bharata-bhagya-vidhata  
Punjab-Sindhu-Gujarata-Maratha-  
Dravida-Utkala-Banga  
Vindhya-Himachala-Yamuna-Ganga  
Uchchala-Jaladhi-taranga  
Tava shubha name jage  
Tava shubha ashish maange  
Gahe tava jaya-gatha  
Jana-gana-mangala-dayaka jaya he  
Bharata-bhagya-vidhata  
Jaya he, jaya he, jaya he  
Jaya jaya jaya, jaya he !

**The following is Tagore's English rendering of this stanza:**

Thou art the rulers of the minds of all people, dispenser of India's destiny.

Thy name rouses the hearts of Punjab, Sind, Gujarat and Maratha, Of the  
Dravida and Orissa and Bengal;

It echoes in the hills of the Vindhyas and Himalayas, mingles in the music of  
Yamuna and Ganga and is chanted by the waves of the Indian Sea. They pray  
for thy blessings and sing thy praise. The saving of all people waits in thy  
hand, thou dispenser of India's destiny,

Victory, victory, victory to thee.

---

*After the national anthem, the dignitaries on the dias leave the auditorium in  
ceremonial procession. The audience are requested to stand till the ceremonial  
procession is completed.*

# Pledge

As a graduate of the Ramaiah University of Applied Sciences, wherever my life may take me, I will use my knowledge, experience and skills to the best of my ability for the well-being of my communities and for the advancement of learning and the public good.

I will conduct myself with honesty and integrity, taking responsibility for my actions and respecting the rights, opinions and dignity of all people.

I will maintain my competency and keep abreast of developments in my chosen fields.

I will strive to better my communities through good citizenship and active participation.

I will be a loyal ambassador for my university and will seek to promote its welfare and maintain its reputation.

I will honour all who have shared their knowledge with me and will in my turn share my knowledge and experience with those who enter my field or come under my direction.

In all my dealings, I will endeavour to be known as a person of honour and repute, ever seeking to earn the peace of good conscience.

**This is my pledge.**
