**DESIGN IS NOT TAUGHT.
IT IS DISCOVERED.
DESIGNERS ARE NOT
CREATED. THEY ARE
SHAPED.**

At the Faculty of Art & Design, we shape designers with knowledge, expertise, patience, and concentration. Our multi-pronged approach covers global best practices and local applications, combining theoretical classroom learning with practical studio and lab work. Students are prepared to solve current and future problems.

PROGRAMME OVERVIEW

Department of Fashion Design

Offering B. Des and Ph. D. programmes, this department provides professional education tailored to the textile, apparel, and fashion industries. The program focuses on creativity, technicality, functionality, and sustainability, preparing students to meet future challenges in fashion design.
