TAKE FLIGHT AS A LEGAL EAGLE WITH THE SCHOOL OF LAW

The School of Law at Ramaiah University stands as an illuminant of legal education, offering a comprehensive array of programmes that are a unique blend of law, science, and technology. With a commitment to academic excellence and practical skill development, the School of Law provides students with a robust platform to explore various facets of law to meet the evolving demands of the legal profession. Whether it's through rigorous coursework, case studies, moot court competitions, client interviews, or internships with leading law firms and legal organisations, students are equipped with the knowledge, skills, and ethical grounding necessary to thrive in the legal arena.

Led by a team of seasoned legal professionals and academics, the School of Law fosters a dynamic learning environment where critical thinking, research, and advocacy are paramount. Through innovative teaching methodologies and experiential learning opportunities, students gain a deeper understanding of legal principles and their real-world applications. Moreover, the School's commitment to social justice and community engagement empowers students to become agents of change, driving positive impact and upholding the principles of justice and equality in society.
